Image

I may or may not have mentioned before that womb ships are based on the *Titan*. I started the Lonely Galaxy around the time this was in the news. The Bright Way's cavalier attitude toward death in pursuit of the Great Commandment during the Golden Age is inspired by OceanGate CEO Stockton Rush (I couldn't think of a more posh name if I tried), or at least my impression of the man when the scandal first broke--not malicious but reckless perhaps to the point of culpability.
