

The Stargazer's Prayer

The stargazer's prayer is a simple prayer taught to pups. It is, as you probably guess, said at night while gazing up into the stars. Below is an English translation.

I see the stars in dark of night
shining down with holy light.

keeping sophonts safe and warm
Whatever be their shape and form.

When their eyes look to the sky
Do they see my star and I?

Do they chant this little verse,
O Maker of the universe?

One day soon before too long,
May we hear their joyful song.

May all our minds and all our might
reflect the Uncreated Light.
